

LANDING PAGES CHECKLIST

Creating your landing pages and thank you pages with LeadPages can be done quickly and without hassle if you use a template and have all the information listed below at your fingertips.

The items you need for each page and the templates I created for you are shown below. Although the templates only work with LeadPages, you can copy the layout if you choose a different software.

LANDING PAGE:

- Hero image
- Video (optional)
- Copy
- Coach's image
- Coach's bio
- Product or download image
- FB Share image (recommended 1200 x 630 or larger)
- FB Share copy
- Privacy Policy Link
