04:45:45 Helen Holland: 10.45 pm here! Trying to keep going!!!

04:46:18 Jennifer Chacon: Possibly dumb question... but how / where do I save a pdf document that I can make a download link??

04:47:07 Jayne Hood: @Jennifer you can save it in Google.

04:47:14 Karim Kanawati: I love the 15 mins emergency coaching - just created a new bonus for my course :)

04:47:19 Karim Kanawati: thanks

04:48:09 Shelley Winters: I like the thought of having a person leave feeling good and having your photo seems to build connection.

04:50:46 Kim Rice: @Michelle Roche- Christie told me in my last coaching session that we need to stop fibbing on our age- she totally doesn't believe we are as old as we say. Had to laugh!

04:51:51 Helen Holland: Canva is sooooo worth it

04:52:54 Mandy Kent: Thank you! Trying to help my 21 yr old son get started in this realm.

04:52:56 Clarissa Cabbage: I like the magic resize feature!

04:57:01 Kitty Broihier: Love the quiz idea

04:59:04 Kitty Broihier: You can also use it to get some feedback on the lesson/unit etc.

05:00:03 Mandy Kent: As a person who has taken some serious course work through a company in SamCart , the quiz feature allowed to retake the quiz as often as you needed to pass. It was seriously satisfying.

05:00:45 Helen Holland: great question @Karim

05:04:04 Clarissa Cabbage: wow really?! Cool!

05:05:54 Kim Rice: Could you use the worksheet as the scorecard?

05:06:49 Vanessa Ynzunza: @Kareem, I have a lesson called "Accept the Mission", where the student enters their name into the worksheet "I, [Your Name], am choosing to be the outlier and will complete this course!"

05:07:20 Vanessa Ynzunza: I am also going to add a video celebrating their acceptance of the mission within the worksheet. It doesn't autoplay or anything, but it's just for fun.

05:08:47 Karim Kanawati: Love it @Vanessa :)

05:08:50 Karim Kanawati: thanks

05:11:49 Kitty Broihier: Scott mentioned that in a training—that people could see all the units and lessons before they buy. I was kind of shocked at that.

05:16:16 Jenn Hall: Did you go over how to do a freebie with SamCart without a checkout?

05:16:42 Karim Kanawati: @Kitty ... do you know if this training you mentioned is in the SamCart Facebook Group to find?

05:16:43 Jayne Hood: @Jenn, yes that was the very first part of the training today.

05:16:44 Kim Rice: Yes, that is true- I got that for Launch

05:17:04 Jenn Hall: Perfect, thank you @Jayne. I figured, but just making sure. :-)

05:17:26 Helen Holland: I don't think I have that either. What is it again please?

05:17:27 Vanessa Ynzunza: Where do you want us to send you that message re: Launch Implementation session?

05:17:41 Clarissa Cabbage: I thought you might make a costume change at the break Christie! 😊

05:18:22 Kitty Broihier: Karim, it was in the primary videos in the 14 Day Challenge. Pretty early on—maybe 3rd or 4th video?

05:18:44 Karim Kanawati: @Kitty, ah, so it will be in the SamCart Training Library, correct? :)

05:19:41 Kitty Broihier: Yes, its should be. It is like the first video about how to start setting up your product

05:19:52 Karim Kanawati: So awesome! Thank you very much!

05:21:09 Kitty Broihier: @Karim, no problem. I remember it specifically because I was surprised that people could see all the names of the lessons. However, I believe that he was discussing it as if the person had already purchased something, and that they could then peruse what else you had for sale. Still, not sure that would be the only way that people could see into your modules

05:21:29 Karim Kanawati: @Jenn, can you step up on your table? :D

05:21:50 Kitty Broihier: Too funny @Jenn

05:22:21 Jenn Hall: lol - @Karim, apparently not...my leg disappeared. 🤖

05:22:38 Karim Kanawati: @Kitty, yeah, I didn't think of the idea just creating a second course - like a clone - to be sure nothing is seen in the original course that shouldn't be seen

05:23:23 Kitty Broihier: @Karim, I like the idea of just keeping the lessons themselves in draft until you drip them out.

05:23:52 Karim Kanawati: @Kitty, exactly yes this surely will work as well

05:25:25 Christie Miller: <https://eattrainwin.samcart.com/courses/course/tc/>

05:25:26 Kitty Broihier: I love having some freebies in the course library that you can direct people to with a direct link

05:26:21 Jenn Hall: I can open page, but it's locked like Christie's

05:26:32 Clarissa Cabbage: same

05:26:43 Stasia E Peters: nothing like that

05:26:44 Mandy Kent: T&C

05:26:46 Helen Holland: Same as you

05:27:18 Karim Kanawati: @Kitty, this is what Christie mentioned regarding my question to get the course page ready when the new customer comes in, still when the course is not out yet. To have some bonuses or pre-work lessons is great within the course area

05:27:58 Kitty Broihier: @Karim, oh yes. Forgot.

05:28:03 Karim Kanawati: :)

05:28:50 Kitty Broihier: I had 10 beta testers doing my course for free and only 5 ended up in it.

05:32:22 Tracy Petreman: I would also put more effort into it

05:32:41 Ashlene Korcek: But then they aren't doing it for themselves and will it stick????

05:38:18 Karim Kanawati: I can recommend this page as well - when having your colors, you will have all your tints and shades for this specific colors! I love it  
<https://maketintsandshades.com>

05:39:21 Tracy Petreman: Thank you @Karim 😊

05:39:21 Kitty Broihier: @Karim thanks for the share

05:39:29 Karim Kanawati: My pleasure @all :)

05:39:32 Jenn Hall: Thank you Karim!

05:41:21 Karim Kanawati: to use this link: Just put in the 6-digit code of a color of your choice. Then hit „make tints and shades“ - and: here we go :)

05:43:49 Staci Witten: I've used Leadpages for years! I did not renew when I purchased SamCart. I find SC easier!

05:44:23 Cherie Huet: I canceled Course Cats!

05:45:13 Rachel Selig: I was away and came back just as @Christie said, "Rachel." Very funny coincidence!

05:46:46 Helen Holland: Thanks @staci so good to know

05:47:25 Stasia E Peters: ok - gang - thanks a ton - gotta give the fam some attention. have a good weekend everyone - thanks jayne and Christie....

05:47:49 Cherie Huet: @Stasia, hug that sweet pup of yours! SO cute!

05:50:39 Tracy Petreman: I had as you said you would be showing us how to customize and bring life to the course

05:50:59 Jennifer Chacon: Thank you!!

05:51:14 Kitty Broihier: @Val—the 14 Day Challenge in SamCart has easier starting videos

05:51:15 Tracy Petreman: The visuals you had replied to me" Like you, I demand flexibility to show personality. So this is definitely something I will cover in the implementation sessions."

05:51:41 Jayne Hood: @Tracy, please raise your hand.

05:52:28 Tracy Petreman: @Jayne thanks

05:53:07 Helen Holland: If you print off the workbook for the 14 day course creation in Samcart. You will then know which day s video to go to for the contebnt you need

05:57:42 Karen Boden: thank you so much for the fabulous day of learning Christie! I appreciate the time and effort that you put into today. I have to run, but will catch the end in the replay. Thanks again!

05:58:44 Terri Tracey: Maybe after the title of each lesson, you can include video length in parentheses.

06:01:00 Mandy Kent: OK, thank you ! I have to go buy food for the fam...they are starting to gnaw on the furniture.Learned a lot. Head slightly spinning.

06:01:02 Clarissa Cabbage: I love how you can see your progress in Samcart

06:01:47 Kim Rice: Can you slip the graphic in front of the text for each module?

06:02:26 Karim Kanawati: My progress bar is green... I see yours in blue @Christie... is there a color setting area in courses?

06:02:33 Michelle Roche: Thanks Christie and Jayne! This was super helpful!

06:03:01 thomas lamont: What is your script font please Love it

06:03:41 Cherie Huet: I got rid of Course Cats just yesterday

06:03:43 Jayne Hood: @Thomas I think it is Born Ready

06:03:57 Jayne Hood: Wow Cherie! Good for you!

06:04:34 Cherie Huet: Didn't see a reason to renew with CC now that SamCart has the course creation feature!

06:05:29 Clarissa Cabbage: Can you give a certificate?

06:05:42 Clarissa Cabbage: That's fun!

06:05:48 Cherie Huet: Totally fun!

06:05:51 Vanessa Ynzunza: I REALLY WANT CONFETTI CANONS!! TELL SCOTT!

06:06:07 Tracy Petreman: We should all ask for that in the feedback.

06:06:18 Clarissa Cabbage: @Vanessa 😊

06:06:19 Cherie Huet: @Tracy, good idea!

06:06:22 Rachel Selig: Can you repeat the SamCart feedback page, pls?

06:08:38 Kim Rice: @Christie- do you have dates for your video filming at samcart yet?

06:08:55 Jayne Hood: @Kim I don't think so

06:09:15 Kim Rice: @Jayne- thanks

06:09:52 Rachel Selig: Thank ya! I was here earlier during the lunch break from that other retreat :)

06:10:11 Dan & Lisa Long: Thank you Christie
